

KOCHI METRO RAIL LIMITED OPERATIONS & ENVIRONMENT DIRECTORATE CIRCULAR
ON PASSENGER STATION SANITIZATION & HOUSEKEEPING

Circular No: KMRL/OPS/CLN/2026/CIRC-18 Date: 17th August 2026

Subject: Standard Operating Procedure (SOP) for Daily Chemical Sanitization of Passenger Concourse and Platform Edge Doors

To: All Station Controllers (Line 1: Aluva to Tripunithura)

1. **MANDATORY PROTOCOL:** All station housekeeping contractors and supervisors must strictly execute deep chemical sanitization across passenger ticketing gates, escalators, handrails, and elevator call buttons every 3 hours during active revenue hours (06:00 to 22:00).
2. **APPROVED CLEANING CHEMICALS:** Only hospital-grade quaternary ammonium disinfectant solutions (minimum 0.5% concentration) certified under ISO 9001 environmental safety guidelines shall be utilized.
3. **INSPECTION LOGS:** Station Controllers shall maintain physical and digital inspection logs verified by the Shift Station Master at the end of each operational shift.
